

Member Benefits

Welcome to PMI

Vital and forward thinking - focused on the needs of project management professionals worldwide; that's the Project Management Institute of today.

We've long been acknowledged as a pioneer in the field and now PMI membership represents a truly global community with over 600,000 professionals, representing 188 countries. PMI professionals come from virtually every major industry including, aerospace, automotive, business management, construction, engineering, financial services, information technology, pharmaceuticals, health care, and telecommunications.

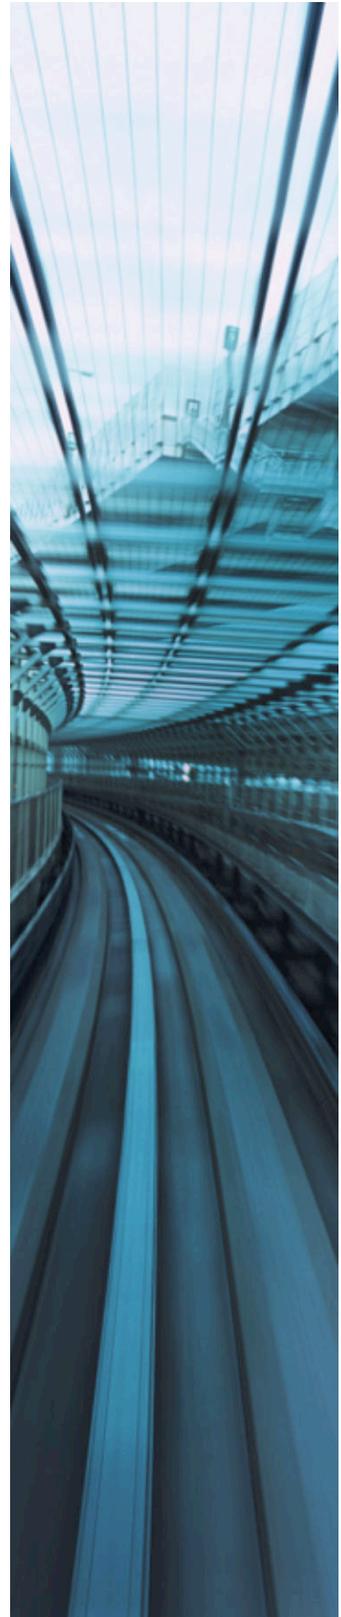

PMI membership opens up a world of opportunity - sharing ideas and experiences, accessing industry information, attending seminars and workshops on leading-edge topics, increasing your professional exposure through networking and project participation, and gaining leadership experience. You do not have to be a certified Project Management Professional (PMP) to join PMI.

PMI has over 280 chapters globally – whether your goal is to meet your peers, make new contacts, network or build knowledge our chapters are the local connection to the global PMI community.

Members of PMI Rochester

The Rochester Chapter is made up of approximately 700+ members and serves the Greater Rochester area including Ithaca. The PMI Rochester vision is that organizations in Greater Rochester will embrace, value, and utilize project management and attribute their success to it. It is our mission that the Rochester Chapter will be the source and resource to enable our members to improve project, program, and portfolio performance for individuals and organizations in the Greater Rochester Region by fostering a vibrant and engaging community.

We offer many opportunities to network with peers and keep current on best practices in project management.
